PROFESSIONALISM

REPRESENTATION

EMPOWERMENT

---

The mission of the Alaska Nurses Association is to advance and support the profession of nursing in Alaska. We are a voice for and represent over 9,000 nurses across the entire state of Alaska.

Dear Employers, Educators, and Friends of Nursing,

On Thursday, October 11<sup>th</sup>, the Alaska Nurses Association kicks off the start of our 6<sup>th</sup> Annual Trending Topics in Nursing Conference, which takes place through October 13<sup>th</sup>, for nurses across our state. Our Conference brings together nurses from all across Alaska to enjoy a well-deserved self-betterment for themselves through educational sessions, networking, and community awareness alike. This is your opportunity, as an organization, to meet a diverse population of both experienced and new nurses who offer expertise and experiences in a variety of practice areas. By becoming a sponsor at the 2018 Trending Topics in Nursing Conference you will have the opportunity to have your organization's name in front of numerous Alaskan nurses.

We hope you will accept our invitation to participate in the 2018 Trending Topics in Nursing Conference. Thank you in advance for your support; it not only matters to our nurses, but also to our community as a whole.

Sincerely,

The Alaska Nurses Association

# Thank you to our past sponsors & exhibitors!
